How will your child be getting home from the after-school program?

- walk pick-up school bus

(Please note: If we do not have a note indicating otherwise, we must send your child home via transportation indicated on this form.)

The Homework Club is designed to give children time so that he/she can have assistance with homework or projects assigned by the classroom teachers. The Homework Club is not used to replace detention or as a consequence for inappropriate behavior. However, if a student is staying for activities, attendance in the Homework Club is expected, and participation is mandatory.

The AfterSchool Program follows the same standards for behavior, respect, and rules as the regular school day. Students must follow these guidelines as outlined in the Behavior Agreement.

The AfterSchool Program is funded by a grant from the Department of Education which requires us to use surveys, letter grades, test scores, and attendance records of participating students for a yearly evaluation report. It is strictly confidential, and will only be shared by authorized staff to develop academic strategies for the Homework Club, statistics for grant writing to continue funding for the program, and evaluation purposes.

I hereby give permission for my child to participate in the activities provided by the AfterSchool Program. My child and I agree to the conditions as outlined above.
